## *“The Great Rollover”*

---

**10** We have all heard about Rollovers but seldom in the context of our church. The U.S. congress passed, and the President signed legislation permitting the charitable rollover of an IRA to be permanent. ***That’s right;*** you can now direct the custodian of your IRA to transfer a portion of your IRA to Grace Church. Here are the rules...

You must be at least 70 1/2.

You cannot declare the distribution as income.

You will not receive a contribution deduction.

The distribution will count toward your minimum distribution requirement.

The gift to the church will not count toward your maximum deductible amount.

The limit is \$100,000.

The transaction is simple: Merely, instruct the custodian of your IRA to transfer a certain sum directly to Grace Church. Your funds can be used for the general budget, benevolence, youth programs, or capital needs of the church.

For more information, contact Chick O’Data, 724 775 7996.
