Moms,

Are you looking for encouragement? Are you looking for advice and support with raising Godly children? Do you need prayer as you manage life, discipline, schedules, etc.? How about just fellowship with other moms in the same season of life as you? If your answer is "All of the Above" then this may be the group for you!

This group, "All of the Above," was started out of the desire for a moms group who have school age children, ABOVE the age of preschoolers (MOPS), that want to support, encourage, fellowship, pray, and focus on what does the Bible say. No former membership of MOPS or religious denomination is a requirement. We will have fellowship, small devotional, sometimes a speaker, discuss child raising topics, prayer, and snacks. It will be a time to relax, recharge, and connect with other moms. We will be meeting on 1st and 3rd Monday of the month at Grace Lutheran Church, 393 Adams Street Rochester, PA 15074. Childcare is not provided.

Set your mind on things that are ABOVE, not on things that are on earth.

~Colossians 3:2

With prayers,

ALL of the ABOVE!

Meets at 6:30P!

**This week's
Memory
verse**

everything for the glory of
God.**

The topic for Feb. 17 is "Present Your Requests to God in EVERY Situation (with Gratitude)". (Phil. 4:6)

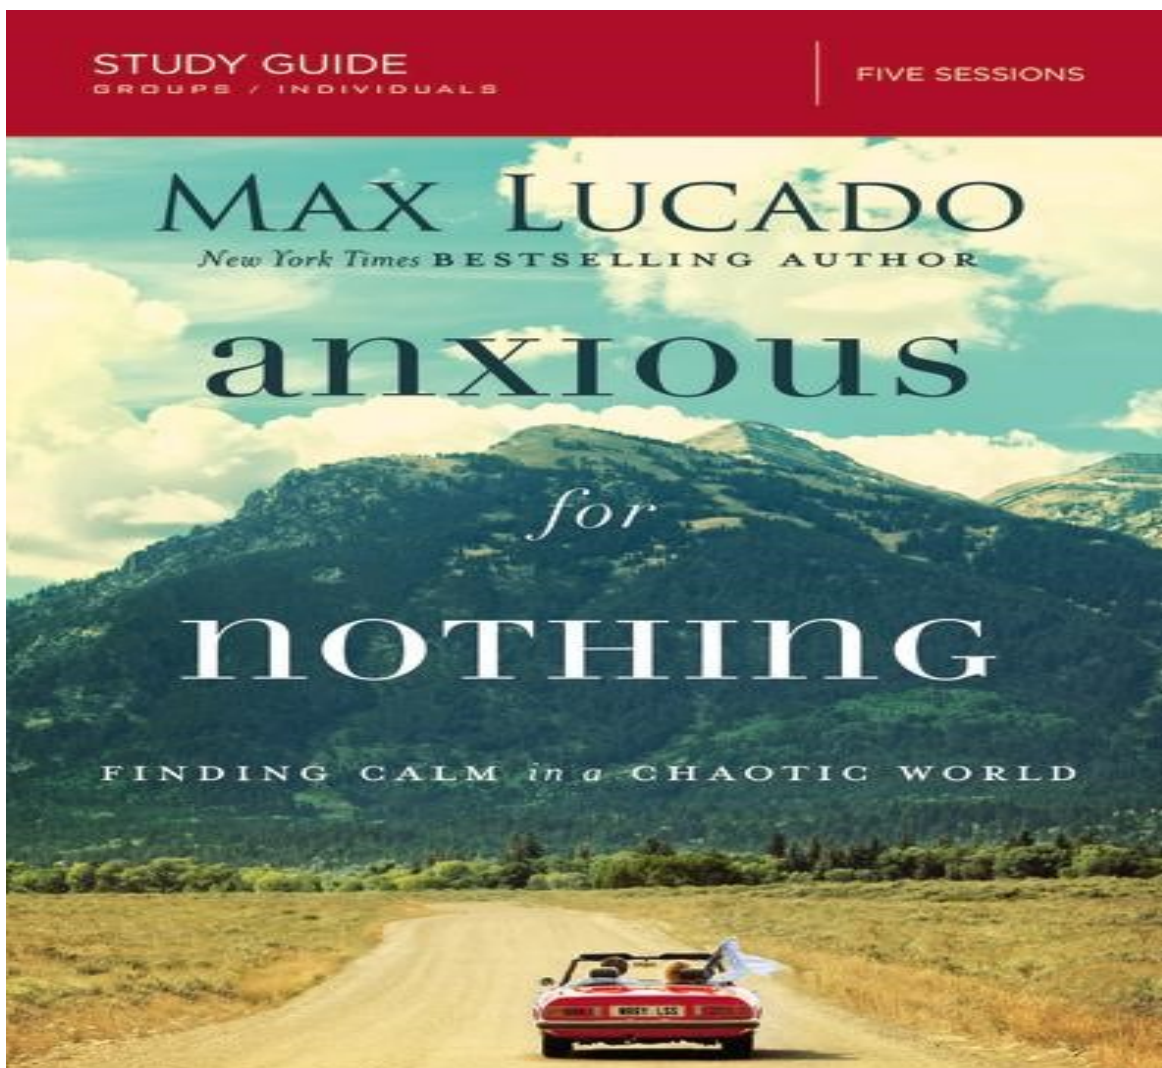

Corrine ten Boom relates a story of when she and her sister Betsie were being held in a Concentration Camp in Germany, and gave thanks to God for the flea infestation. The guards would not check their barracks, allowing them to read the Bible every day.

Her question in "The Hiding Place" is: "Is prayer your steering wheel or your spare tire?"

Key scriptures are James 5: 13 – 16, and Matthew 14: 22 – 36.

You can order the book, "Anxious for Nothing" by Max Lucado, online. We're in chapters 6 and 7 this week, and have several more weeks to go. Join us in the Lounge at 9:30 – 10:15 on Sunday.

KEEP YOUR KIDS SAFE Online

Phil Little from the Attorney General's Office will be here at Grace, Monday, April 1, 2019 @ 6:30 PM in Fellowship Hall to present:

Social Media 101 – What Parents Need to Know

This presentation gives parents a foundational education on understanding the social media sites their children use and how to keep them safe while using them. Parents will learn how to navigate and learn how to enable the security features on the "apps," along with recognizing the importance of knowing their child's passwords. Monitoring children's behavior and interactions on the internet is very critical in today's world. Children are being targeted by online predators and cyber bullying at an alarming rate.
