

Dear Grace Family,

As of Tuesday, March 17th Grace was closed for in-person worship and activities until further notice. I will be at the church for Wednesday Lenten and Sunday worship services recorded and uploaded to our YouTube page <https://www.youtube.com/user/gracelutheranpa> and or Live on Facebook <https://www.facebook.com/GELCPA/>. Pastor Todd Smith will also be going Live on Facebook with our Wednesday Lenten Sermons!

Joe Forman will continue going Live @6:25p on Wednesday evenings from home, join him on the church's Facebook page, like and share so others can join in! You can find videos on our website: gracelutheranpa.org by clicking on the Sermons box. Videos will also be shared on our Facebook <https://www.facebook.com/GELCPA/> , like and share so others can join in!

Many of you are concerned for our neighbors and folks who may need our help so we will be forwarding an updated copy of our directory in the hopes that you will prayerfully go over it and call individuals who may need our help. May the Lord direct us to connect with others and please contact me or share information with me if I can help 724-601-1414.

God Bless,

Pastor
