

GRACE LUTHERAN CHURCH NEWS JULY 2020

"Worship the Lord with gladness" Psalm 100

Dear Friends in Christ Jesus,

Our Grace family continues in person worship in the Sanctuary at 8:30/10 Sunday Mornings. We also have these services and a 7PM Saturday evening service available online. There are many ways our Grace family is offering assistance to our neighbors and Thank You for making these acts of love possible.

Members continue to deliver Meals On Wheels; food and money donations have been made to local food banks and neighboring churches; families are being given direct support; local first responders, police, and medical workers have received our financial and prayer support. These are but a few examples of the witness being shared by Grace in worshiping the Lord with gladness.

God Bless you and keep you,

Pastor

Treasurer's Corner

From the Treasurer's Corner...

Thank you to everyone for your cooperation in submitting your weekly and special offerings by mail during this time of 'isolation' from each other.

Please continue to submit your offerings in whichever method best accommodates your needs: mail-in, in-church or online. When possible please use your offering envelopes; this helps our counters move their task along.

Summer is upon us and a brief reminder that we encourage you to continue your great support during these weeks we typically call 'vacation time!'

Stay safe, be vigilant about your surroundings and together we will make a new path in this 'new normal.'

Peace and Blessings,

Ronnie Sines
