Grants in amounts up to \$5,000 each are awarded to community projects in Africa based on need and are funded from the net proceeds of the sale of palm crosses and totes, along with 100% of all donations received.

We need you! Your donation makes a difference.

Clean Water Project

Communities with poor water sources and sanitation need assistance to dig wells and build filtration systems. Drilling fresh water wells saves lives. Everyone deserves something as simple and crucial for life as clean, safe water. Please consider a gift to help provide clean water for thirsty community. The average cost of one well is \$5,000.

\$50 SUGGESTED GIFT

Fish Farming Project

This project intends to increase the number of fish farmers. Increasing small scale fish farming will mitigate poverty among smallholders that own wetlands. The project will also improve nutritional standards, increase household income, and reduce the overall poverty level.

\$25 SUGGESTED GIFT

Life-Saving Food Project

Help us provide food and medical support for African street children. Life on the street is characterized by a lack of basic needs (clean water, shelter, sanitation, education). This project helps meet these needs, as well as locating families to adopt these children. Your gift will feed a hungry child for a month.

\$10 SUGGESTED GIFT

Agricultural Project

The goal is to enhance food production and increase income for communities through agricultural training. Training is targeted towards women and youth and will teach skills which will allow the project to become self-sustaining. Farming helps reduce poverty in rural communities.

\$15 SUGGESTED GIFT

100% of every donation is added to our grant funding and awarded to humanitarian aid projects across Africa. Our administrative expenses are covered through the sale of palm crosses and totes. We promise to honor your generosity and use your donation in the most effective way possible. The projects shown above reflect four categories of requests received in past years. Donations will be used where needed most within these categories or to address a similar need. 2016

Friendship's Open door

*There are all kinds of doors that I have spied,
French doors that reveal the world outside.
Revolving doors that circle round
And swinging doors that knock me down.*

*There are heavy doors that test my strength
And fabric doors upon my tent.
There are doors that open with a key
Or a special code that's given to me.*

*But the kind of door that I offer you
Is the open door of friendship true.
So throw the keys of distrust away
Come into my heart and plan to stay.*

-Dolores Fruth

Private memories

**Do you have memories
That are only yours alone?
A time, a place, a happening
That no one else can own?**

**So suddenly to now recall
A memory with much pleasure.
A lovely unexpected gift
That you alone can treasure**

**To hold again the moments
That are only yours to know.
Thank God for giving me a chance
To relive and feel the glow.**

Vision Statement

As disciples of Jesus Christ, we commit ourselves to God's service by following the teachings of our Lord and Savior. We will study the word of God, share His love, and expand His kingdom by nurturing, sharing freely, and working together.

The Resurrection of our Lord!

Jesus' actions on this eighth day of the week, Easter Day, connect us with an everlasting victory. Joy is being given to God's creation, guiding us to praise our Lord without end. Rediscovering the importance of what Jesus has done-is doing-always will do, we may surprise others with acts of new life. Wearing our Easter clothing, we bend down to scoop up a colorful egg, are surprised by what's inside, and joyfully share with others the treasure claimed as prize.

Renew in us dear Jesus, the surprising gifts being given to your creation. Amen.
