

### "Life To The Full"

Jesus promises in John 10:10, "I have come so you may have life, and have it to the full."

Consider Jesus being present with us in Grace, so as to give us life to the fullest.

In the areas of: Happiness; Health; Purpose; Character; Relationships; Stability.

Jesus, help us to believe in your presence growing full lives in every area of our being.

Through Jesus' death and resurrection!
